MARTIRIE DE LA ZELENETŢ
A Prayer**

Saint Martyrius, we ask thee to attend to the supplications of the faithful Orthodox living in this modern era, for we are beset with images and sounds which obstruct our moments of silence and times of prayer. Yet, we have approached thee today with an Akathist Hymn, and we trust thou wilt accept our praise of thy holy life and our requests for thine aid.

Thou hast guided us to the Holy Trinity and the Virgin Mary, and thou hast encouraged us to pray always and to work out our salvation. We seek an interior wilderness and a haven of prayer among our icons. We turn to thee and all the saints for help. We also wish to befriend those around us, for our hope is to live each day in a way pleasing to God. Relying on your intercession, Saint Martyrius, and

according to the mercy of God, we shall see thee in Heaven where there is no sin but only divine unity and joy. Amen.
